وسط وهران — Place des Victoires / Es-Sedikia	Place des Victoires is a place/square landmark used as a city-centre locator, not a commune or daira. Es-Sedikia/Cité Seddikia is an urban suburb/neighborhood; Es Seddikia is also an official communal delegation within Oran commune. — High confidence Cité Seddikia is in Commune d'Oran / Daïra d'Oran: the OSM-derived map record explicitly says so, and Gazette decree 19-270 creates the Es Seddikia communal delegation and defines included neighborhoods. The official decree does not name Place des Victoires, so treat it only as a central locator. Keep Place des Victoires and Es-Sedikia as separate geospatial search targets. Neighborhood labels are local/delegation labels, not communes.	Oran	Oran	Point du Jour; Gambetta / Cité Gambetta; Cité Macta / Hammou Boutlelis delegation; El Emir / central Oran; Sidi El Houari	16	1	1	0	0	0	1	1	0	0	1	0	0	https://wilayaoran.dz/category/dairas-et-communes/; https://www.joradp.dz/FTP/jo-francais/2019/F2019063.pdf; https://mapcarta.com/fr/N3328380588; https://www.google.com/maps/search/Place+des+Victoires+Oran+Algeria; https://fr.wikipedia.org/wiki/Quartiers_d%27Oran
Bir El Djir	Formal commune and town; also the name of a daira. Distinguish the commune from the town-centre locality and its surrounding suburbs. — High confidence for commune and daira: the official Wilaya directory lists Daïra Bir El Djir and its commune, corroborated by the current secondary daira/commune grouping. Mapcarta/OSM identifies town and nearby localities, which are not formal communes. Hassi Bounif is a separate commune and should be used only as a wider catchment.	Bir El Djir	Bir El Djir	Haï Khmesti; Haï El Riyad; Belgaïd; Canastel (adjacent Oran commune side; check each address); Hassi Bounif (nearby separate commune if a wider catchment is acceptable)	48	5	4	1	0	0	0	2	2	1	0	0	0	https://wilayaoran.dz/category/dairas-et-communes/; https://en.wikipedia.org/wiki/Da%C3%AFras_de_la_wilaya_d%27Oran; https://mapcarta.com/17353426; https://mapcarta.com/N2273847474; https://mapcarta.com/17349588
Es Sénia	Formal commune and town; also the seat/name of a daira. The urban settlement is also written Es-Sénia or La Sénia. — High confidence: the official Wilaya directory lists Daïra Es Sénia with Es Sénia commune, El Kerma and Sidi Chahmi/Sidi Chami; Gazette decree 20-219 is for Es Sénia commune and defines its communal delegations. Suburb names are map-based; expanding to Sidi Chami or El Kerma crosses commune boundaries, though they are within the same daira.	Es Sénia	Es Sénia	Marhaba; Soufi Zoubida; El Nakhil; Sidi Chami (separate commune in Es Sénia daira); El Kerma (separate commune in Es Sénia daira); Oran south fringe (separate commune/daira)	36	8	4	4	3	0	4	4	4	0	1	2	1	https://wilayaoran.dz/category/dairas-et-communes/; https://wilayaoran.dz/daira-d-es-senia/; https://www.joradp.dz/FTP/jo-francais/2020/F2020047.pdf; https://fr.wikipedia.org/wiki/Da%C3%AFras_de_la_wilaya_d%27Oran; https://mapcarta.com/17339798
Hai Sabah	Informal neighborhood/urban-area name with duplicate or overlapping mapped usages; the Hai Sabah tram-stop/local-area point is mapped in Bir El Djir, while a HAI ES SABAH postal-address record is mapped in Sidi Chami. Neither name is an official commune. — Moderate for the overall label because public mapping shows ambiguity: Hai Sabah tram stop (35.69663, -0.57189) is explicitly in Commune de Bir el Djir, while a separate HAI ES SABAH post-office listing gives its address as Cité 789 logements, Sidi Chami, in Es Sénia daira. Do not merge salons from both usages without checking their address pins. Sidi Chami is a separate commune within Es Sénia daira.	For the Hai Sabah tram-stop/local-area pin: Bir El Djir. A separate HAI ES SABAH postal-address record is in Sidi Chami commune; geocode individual salon addresses.	Bir El Djir for the tram-stop locality; Es Sénia for the Sidi Chami/HAI ES SABAH address variant.	Bir El Djir town centre; Haï El Riyad; Haï Khmesti; Sidi Chami / Cité Essabah (only where address resolves to that southern locality); Hassi Bounif (broader adjacent catchment)	31	8	3	5	3	0	4	1	7	0	4	0	0	https://wilayaoran.dz/category/dairas-et-communes/; https://mapcarta.com/N2273847474; https://mapcarta.com/N14030963047; https://mapcarta.com/17306914; https://www.joradp.dz/FTP/jo-francais/2020/F2020047.pdf
Canastel	Residential area/suburb label, not a commune. Oran's 2019 official communal-delegation scheme names El Menzeh; Canastel is also used for mapped residential land and a wider neighborhood area. — Moderate-high for the mapped Canastel feature: Mapcarta (OSM-based) explicitly places its residential area in Commune d'Oran / Oran District; the Gazette decree defines Oran's 18 communal delegations and places El Menzeh's boundary at the Canastel forest and Bir El Djir municipal border. Canastel is not a formal commune or daira. The built-up area is near the municipal boundary, so check addresses.	Oran for the mapped Canastel residential-area record; it is close to Bir El Djir municipal boundary, so verify eastern-fringe addresses.	Oran for the mapped Canastel residential-area record; Bir El Djir for addresses beyond the commune boundary.	Haï El Menzah / El Menzeh; Hai Nakhil Canastel; Belgaïd; Bir El Djir; Frange Maritime; Haï Khmesti	41	8	4	4	2	1	4	1	7	0	0	4	0	https://www.joradp.dz/FTP/jo-francais/2019/F2019063.pdf; https://mapcarta.com/17349588; https://www.openstreetmap.org/way/478798974; https://wilayaoran.dz/category/dairas-et-communes/
Akid Lotfi	Informal suburb/neighborhood name in map data; separately, Colonel Lotfi is an official communal delegation within Oran commune under the 2019 Gazette decree. These similar labels need not have identical boundaries. — High confidence the mapped Haï Akid Lotfi suburb pin is assigned by the OSM-derived map to Commune de Bir el Djir, but local use of 'Akid Lotfi' may denote other territory. Gazette decree 19-270 establishes a separate official Oran communal delegation named Colonel Lotfi and delimits its eastern edge along Bir El Djir boundary. A bare name may therefore be ambiguous; verify coordinates. Colonel Lotfi is not an independent commune.	The specific Haï Akid Lotfi suburb pin is mapped in Commune de Bir el Djir. A distinct formal communal delegation named Colonel Lotfi belongs to Commune d'Oran; check each salon address to determine which applies.	Bir El Djir for the mapped Haï Akid Lotfi suburb; Oran for the formal Colonel Lotfi communal-delegation territory.	Frange Maritime; Haï Khmesti; Bir El Djir town centre; Canastel / Haï El Menzah; Oran's Colonel Lotfi delegation (separate adjoining search scope; address-dependent)	36	14	10	4	0	0	0	2	12	0	0	0	0	https://www.joradp.dz/FTP/jo-francais/2019/F2019063.pdf; https://mapcarta.com/N853403244; https://mapcarta.com/17353426; https://wilayaoran.dz/category/dairas-et-communes/

Audit notes

Raw candidates are leads surfaced during search before screening; they are not confirmed salons or unique active businesses.

Verified and Partially verified are separate labels. The target count is not inflated by nearby extensions.

Eight repeated business records were merged into one row each by matching name, public handle, phone, or mapped location. Merged IDs are shown on the Prospects sheet.

One Canastel candidate was excluded because its last dated post was 2026-03-28, outside the six-month activity window ending 2026-11-06.

Priority A screening convention: activity within the last three months, public business contact/profile, at least 1,000 visible followers/likes, and no website/booking link surfaced. B indicates a weaker/uncertain audience, activity, contact, or digital gap. C is used when a booking/reservation option was found.

All audience/review counts are 2026-11-06 public snapshots where stated. Blank cells mean a value was not confirmed from the reviewed public sources.

No business/platform was contacted, followed, liked, commented on, messaged, or registered with.
